

Michelle Zheng

Pittsburgh, PA | michelle.zheng@yale.edu | (646) 508-1065 | [linkedin.com/in/mzheng8](https://www.linkedin.com/in/mzheng8)

Yale and CMU-trained PM with experience across AI products, operational workflows, and early-stage strategy.

EDUCATION

Carnegie Mellon University

Expected: Jul. 2026

Master of Science in AI Systems Management, Awarded CMU Scholarship

GPA: 3.87

- *Relevant Coursework:* Operationalizing AI, AI Strategy, Decision Modeling, Consulting Lab, Data Engineering, Generative AI Lab, Agentic Technologies, Machine Learning, Negotiations

Yale University

May 2025

Bachelor of Science in Cognitive Science (Human-AI Interaction)

GPA: 3.54

- *Relevant Coursework:* Product Management, Human-Computer Interaction, UX Design, ML Tech for Business, Automated Decision Systems, Disruptive Tech & Responsible Innovation

SKILLS

Technical: Python, SQL, Excel, PowerBI, Jira, Figma, Claude Code, GitHub Copilot, Cursor, Replit

Professional: Requirements Definition, Agile, Roadmapping, Stakeholder Management, GTM Strategy, A/B Testing

Interests: Tennis, Board Games (Catan), Mechanical Keyboards, Improv Cooking

PROFESSIONAL EXPERIENCE

Framework Health

Jan. 2026 — Present

Product Management Intern

Pittsburgh, PA

- Defined 25+ feature-level requirements and user stories across 7 core workflows for a health navigation platform
- Designed end-to-end beta testing operations including segmentation, onboarding, and feedback capture
- Built AI guardrails and compliance framework covering PHI, consent, prompt injection, and 10+ safety areas

Expertly AI

Jul. 2025 — Jan. 2026

Product Strategy Analyst

Remote (Pittsburgh, PA)

- Led product discovery across 4 industries, surfacing 50+ automation opportunities that reoriented product strategy from generic AI features toward system integration
- Translated 20+ stakeholder interviews into workflow maps and prioritized requirements, shaping MVP scope and roadmap with engineering
- Shaped GTM positioning and use case focus via competitive analysis and user research, adopted by founding team

OKC Free Clinic (Manos Juntas)

Jun. 2024 — Jun. 2025

Strategy & Management Fellow

Oklahoma City, OK

- Guided implementation of the clinic's first EMR system, improving patient data coordination for 100+ staff
- Mapped patient data flow through staff interviews, converting frontline needs into system requirements

PROJECT/LEADERSHIP EXPERIENCE

AI Research Portal (RAG System), Product Lead

Jan. 2026 — Mar. 2026

- Built a RAG-based research system with citation validation, improving groundedness (0.29 → 0.73) and precision (0.19 → 0.78)
- Designed a 22-query evaluation benchmark to validate retrieval accuracy and citation precision of system outputs

MedTech Diagnostics, Healthcare AI Strategy & Evaluation

Nov. 2025 — Dec. 2025

- Evaluated ML diagnostic performance across 10,000 cases, translating accuracy into clinical risk and cost tradeoffs to inform AI adoption decisions
- Developed Net Tangible Benefit model, quantifying \$270K+ error cost reduction and 10-15x efficiency gains

MAISON, Co-founder

Oct. 2022 — Jun. 2025

- Founded Yale's largest fashion collective from zero, scaling to 250K+ reach & 3x growth in global partnerships
- Architected org infrastructure across 5 functions: governance, partnerships, events, onboarding, and communications
